UNITED METHODIST STUDENT DAY IS NEXT SUNDAY

Thank you for your generosity in 2020. You gave \$236,828 towards the ministries funded by the United Methodist Student Day Sunday offering. This offering helps provide for over 70 scholarships available for United Methodist students to further their education and enrich the life of the Church. The fund is administered by the [General Board of Higher Education and Ministry](#).

COME CELEBRATE THE BEGINNING OF ADVENT

Join us on Sunday, November 28 for the Hanging of the Greens Advent service featuring our children's choir. The kids will present *What is the Greatest Show on Earth? The Nativity!* at 4:00pm in the sanctuary. This fun service is a great way to celebrate our church-wide Advent theme this year of *The Inn, Housing the Holy*.

TURKEYS NEEDED!

The Food Bank of Larimer County is in need of frozen turkeys, chicken or ham. Requests for turkeys from families in need this year are the highest they've ever been. Please bring your donation to one of the Food Bank's donation locations anytime. [Click here](#) for locations and hours.

WE CELEBRATE WITH TRINITY

Trinity folks are back in their building! We've enjoyed sharing worship space with them but rejoice with them in their return to an updated and beautiful space. At Trinity's dedication service on November 14, Janeen Anderson represented FUMC with heartfelt words and received a plaque for FUMC in gratitude for our support. The plaque includes the touching words "May we continue to bless God and serve the Loveland Community together in the Spirit!" Thanks for your prayers and support of this community!

COVID GUIDELINES

The Larimer County Department of Health and Environment (LCDHE) implemented a public health order requiring that face coverings be worn in all public indoor spaces in Larimer County. Effective immediately, FUMC's new guidelines include the following (new guidelines are listed in red):

- Everyone must wear a mask inside the church *regardless of vaccination status*.
- Children three years old and above should wear masks while in the building.
- **While everyone continues to wear masks, congregational singing may resume at FUMC during worship services.** Hymnals will be available in the pews for use by those who desire using them. Hymn lyrics will continue to be shown on the screen.
- **In small groups of 30 or people or less, beverages and finger foods (food not requiring utensils for eating) will be allowed** in designated meeting spaces. Individuals will keep their masks on and pull the mask down in order to take a bite of food or drink of beverage. (Pulling masks down to take a bite or drink is the current practice of airlines and other public spaces, including hospitals.)
- No food or drink will be served/allowed at gatherings of more than 30 people inside the building at this time.
- Masks are required while riding in church vehicles.

FOR THE LOVE CAMPAIGN HELPS THE HOMELESS

FUMC Missions Committee along with Marketing and Outreach will be collecting donations in conjunction with the “For the Love” campaign which will run until December 3. Items are needed to help clothe and warm the homeless as the winter months approach. A full list of items needed can be found at the Ask Me Desk or on the FUMC website. Click on these links for more information on the campaign and [a form to sign up to volunteer](#). A list of desired items can also be found at darrinwilliamsmedia.com/fortheLove.

For The Love campaign started as an idea from [Lovelanders Facebook page](#) creator Darrin Williams and the post caught the attention of Jen Castaneda, co-founder of the Loveland Justice League. Castaneda and Williams were able to partner with 137 Homeless Connection in downtown Loveland.

The campaign is also looking for people to donate their time and volunteer to help collect or pass out items that are donated.

“It is going to be a huge blessing,” said Francine Maestas, assistant manager at 137 Homeless Connection. “We are seeing (homeless populations) increasing, we have seen record numbers the last several weeks at 137. We don’t have enough items to hand out, so we need the support of our community to be able to get them what they need to survive in the cold weather. I think it is going to be huge.”

Items can be dropped off at these locations
